**COMPANY Inc.**

*Catalog of  
Mouldings*

Since the early years of the 20th century, boatbuilders, contractors, stair and flooring manufacturers, cabinetmakers, woodturners, and lumber distributors throughout the Northeast have relied on the M. L. Condon Company.

With a single call to Condon, they can order virtually everything they need: imported and domestic hardwoods, softwoods, mouldings, flooring, stair treads, stringers, rails and returns, architectural mouldings, hardwood plywood, and millwork from doors and table tops to masts and boat keels.

#### THOUSANDS OF MOULDING PROFILES AVAILABLE

This catalog illustrates the thousands of moulding profiles for which we have knives already available. If you are unable to find a profile which meets your needs in these pages, we also offer a custom matching service, where our skilled knife-maker will create a custom knife for the exact profile you desire. (There is an extra charge for this service.)

Mouldings marked "Stock" are generally available in the more commonly requested species (like poplar, oak, maple, cherry, mahogany and walnut) for immediate pickup at either of our warehouses. All others must be cut to order (average 3-7 working days.)

#### DON'T SEE IT? CALL AND ASK!

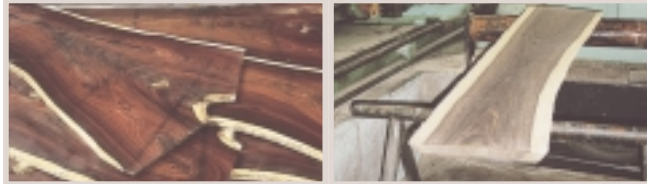

We cut several hundred new moulding knives each year, so even if you don't see it here, we may already have exactly what you need. And if we haven't got it, we'll get it or make it.

**AN INCOMPARABLE LUMBER SELECTION**

From all over North and South America, Africa, Europe, Australia and the Far East, the finest lumber is shipped directly to Condon's Stormville, New York warehouse and mill. Flooring

Call us first for long length flooring (2'-16'), wide plank flooring, exotic wood feature strips, and remilled, reclaimed flooring like antique heart pine.

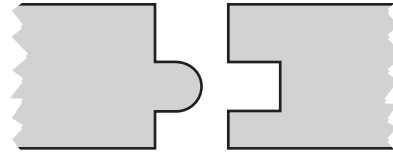

You may choose from the profiles illustrated here, or give us a sketch and we will produce a custom knife exactly to your specifications.

Depending on your needs, we can provide clear floors, where the lumber is inspected and defects cut out, or more rustic-appearing floors where the defects are left in to add character.

All our flooring is sold on a square foot tally to make it easy to calculate your needs.

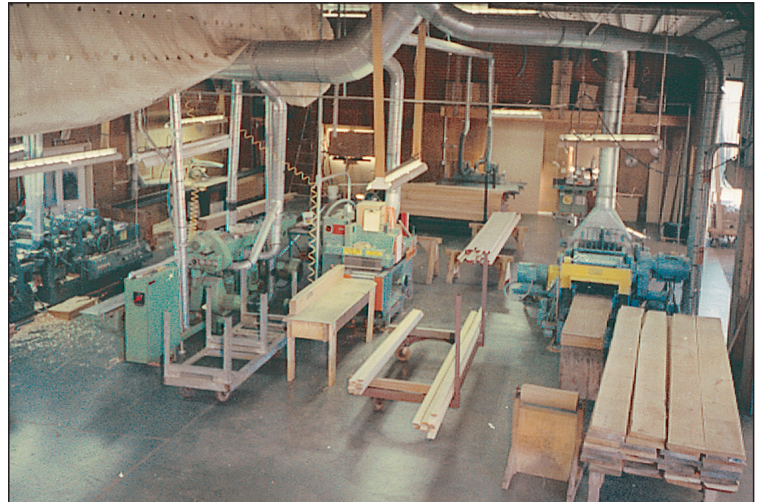

Options include matched ends,

tongue-and-grooved ends

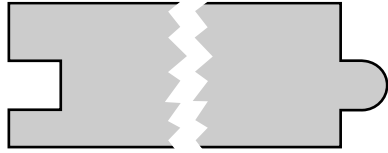

and square or beveled edges.

Virtually any hardwood in our inventory can be milled to your specifications to create a handsome, lifetime floor.
